PREVENTIVE CARE UPDATE

NEW AGE RECOMMENDATION FOR COLON CANCER SCREENING

As of May 18, 2021, the U.S. Preventive Services Task Force (USPSTF) announced it expanded the recommended ages for colorectal cancer screening to adults who are 45 years and older. It was previously recommended for adults ages 50 to 75 years. Beginning July 1, 2021, WEA Trust will cover Colonoscopies and Cologuard colon cancer screening for adults aged 45 to 75 years old as a preventive service. For WEA Trust members to access a Cologuard colon cancer screening test, providers must write a prescription for Cologuard by completing the Cologuard Order Requisition Form. It can be downloaded from the WEA Trust Provider Forms website page, WEAtrust.com/provider/provider-forms.

WEA TRUST ALL JOINTS PROGRAM – LOW BACK AND JOINT RELIEF BY KIIO

WEA Trust is proud to partner with Kiio to offer a convenient, easy and inclusive digital musculoskeletal (MSK) solution proven to deliver results. Kiio is a scientifically based exercise program designed for members with mild to moderate low back, hip, neck and knee pain to help alleviate pain and decrease symptoms. This program is not intended to replace evaluation by a healthcare provider for anyone whose pain began following a recent injury.

Members begin the program by taking an assessment survey, which individualizes each program to the member's specific needs. Members can perform the exercises in their own home and at their own pace. There is no need for special equipment or weights. And, there is no cost to the member.

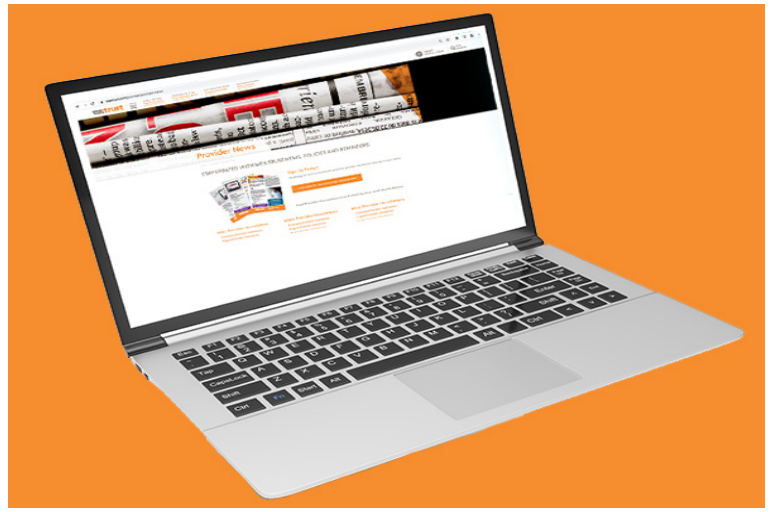

The exercise program is available through the Kiio Mobile app. Kiio is a Wisconsin-based healthcare technology company specializing in evidence-based solutions that help involve people in their healthcare and help connect people with their healthcare team. The free Kiio Mobile app will guide the participant through a fully animated series of exercises designed for their particular type of pain, by a physical therapist. If you have questions about the program, please contact a WEA Trust Care Management Team member at 800.279.4000.
