

Getting Started with WEA Trust

As a new employee, you have 30 days to enroll in your employer group health plan. We require that you fill out an enrollment form, even if you choose not to enroll in your employer's plan.

TO FILL OUT AN ENROLLMENT FORM, REGISTER FOR MYTRUST:

- Go to WEAtrust.com/mytrust and register for an account to fill out and submit an enrollment form. On myTrust you can check claim status, view your benefits, and order additional ID cards.
- While filling out your enrollment form you can add a spouse and dependents to your coverage.

As a new employee, coverage begins on your first day of work. If you did not enroll when you first started working but have since decided you would like to enroll, you can either wait until the next open enrollment period or you can re-apply in 12 months.

CONTACT WEA TRUST IF:

- You or any covered family member have other insurance coverage or have dual coverage from a spouse.
