

Amwell Telehealth

Fix issues like sinusitis, flu, rashes, stomach aches and infections fast. You can see a doctor on-demand with Amwell using your smartphone, tablet or computer. Amwell e-visits are quick, convenient and affordable. Most WEA Trust members can use Amwell for \$0 out-of-pocket (check your benefit summary for more info).

Why is Amwell #1?

"Amwell is incredibly easy and efficient. The best way to describe it is to say that it's FaceTime with a doctor. I highly recommend this service for anyone who doesn't have time to make an appointment and drive to a doctor's office."

Gayle Lassen, West Salem School District, WEA Trust Member

Do you have health insurance?

Yes
Insurance may cover all or part of your visits. If your plan isn't listed, you can still have a visit.
