

smart choice MRI

PREFERRED MRI PROVIDER

Health plan savings

Did you know: On average an MRI costs \$2,600?

A simple solution to control health plan costs

Every MRI, \$600 or less

The price includes the cost of the scan, any contrast needed, and the radiologist interpretation of results.

Leading GE Technology

We use state-of-the-art GE MRI technology, the same technology you'd find in leading hospitals.

WEA Trust in-network provider

We are an in-network, top tier provider for most insurance companies and health plans.

Cleveland Clinic Radiology

All exams are interpreted by sub-specialized, board-certified radiologists from the Cleveland Clinic.

You deserve a choice when it comes to your healthcare.

\$100 VISA Incentive Card
When You Choose Smart Choice MRI

Paid through WEA Trust.
